

July 10, 2019:

Notice of document relocation for: <https://glenwing.github.io/docs/HDMI-1.4a-3D.pdf>

The **HDMI Specification Version 1.4a Extraction of 3D Signaling Portion** document previously hosted here has been removed due to a [DMCA notice](#) filed by HDMI Licensing on May 6, 2019.

An archived version of the document can be accessed here instead:

<https://web.archive.org/web/20180907231418/https://glenwing.github.io/docs/HDMI-1.4a-3D.pdf>

This notice (that you are reading right now) has been uploaded in place of the previously hosted standards document, with the same name ("HDMI-1.4a-3D.pdf") so that any links to the document posted in the past will see this message and the above link, rather than a frustrating 404 error. Apologies for any inconvenience.
